

SPLS

Open House

We're trying something new this spring!
We're going to have an SPLS Open House
in conjunction with the church Sunday
School picnic.

We'd like to show off some of the Science
activities that our curriculum offers. The
teachers will be leading activities, but we
are asking you to attend this event as well!
We have an amazing group of students &
families at SPLS & we want to share what
SPLS is all about!

So, please plan to attend & enjoy lunch
provided by St. Paul's Lutheran Church!

May 20th at 11:30am
